National Commissioning and Contracting Training Conference for Children's Services

Key Note Speakers

Sir Alan Wood (Chair) The Residential Care Leadership Board

Sir Martin Narey The National Fostering Stocktake

Andy Coldrick (Chief Executive of Birmingham's Children's Trust) on How to commission Children's Services that work through a Trust.

Ashley McDougall (National Audit Office) on the financial implications of commissioning services that work

Lisa Cherry on Creating Social Change

Amit Dixon (Barnardos) on how to work in partnership to commission services that work

Why reinvent the wheel?

For over 25 years this has been the Conference to learn from other commissioners' experiences. Learn what has worked and also what mistakes not to make. Find out from people who are at the cutting edge of Practice. Over 30 workshops including:

- ✓ The Learning from innovation projects that are delivering.
- ✓ How to deliver Mental Health Services that work. The Drop in Model
- ✓ How to make EHC plans work. The role of the key worker
- ✓ How to successful transfer people from mental health services into education
- ✓ What do we need to know about the financial state of the children's market.
- ✓ How to develop a successful sub-regional residential block contract project.
- ✓ The joy and pain of Joint commissioning. Making it work.
- ✓ Developing Domestic Violence Services
- ✓ How to reduce the risks with children who have been sexually exploited.
- ✓ Fostering Providers view of best practice within commissioning.
- ✓ How to prevent young homelessness
- ✓ How to evidence outcomes. A joined-up approach
- ✓ How to develop a Tender and the common mistakes Commissioners have made
- ✓ Developing 16 plus Accommodation
- ✓ How to develop a successful Leaving care pathway
- ✓ Workshop from Ofsted
- ✓ Developing Early Help Services
- ✓ How trained young people can really add to Commissioning
- ✓ Using modern technology to hear the voice of the child
- ✓ How to ensure Foster Carers can care for asylum Seeking Children

Programme liable to change
